

Berserk Steel Worker Leaves 4 Persons Dead

GARY, Ind. (AP)—A steel worker ran amok with a pistol while being reprimanded today for loafing on the job and killed four men before he was shot down by a plant guard.

Archie Davis, 29, Gary, also wounded four other men in the wild rampage through several buildings of the U.S. Steel Co. sheet and tin mill.

Killed before the laborer died with a guard's bullet in his head were Joe Guydon, 37; Donald Moran, 46; Royal Rutt and Neal Wolfrath, 48.

Louis Massa, plant general labor foreman thought at first to have been killed, was reported later still alive in Mercy Hospital.

Wounded were Ben Proft, Gerald Myers, 48, and David Shaefer, 29.

Authorities said Guydon, a track gang boss, caught Davis and another worker talking when they were supposed to be working. He ordered them back to work and turned in a report reprimanding Davis for loafing.

Davis was told to report this morning to Massa's office, where he was awaited by Massa, Guydon and Moran, track gang foreman.

It was not known whether the workman said anything in the office before opening fire with a revolver, dropping all three foremen.

Davis then ran to the maintenance and utilities building, where he shot Proft and Myers. Both men also are foremen.

He went next door to the factory's industrial relations office, asked for a man who wasn't there, entered another building and shot Wolfrath and Rutt. Wolfrath was a metallurgist. Rutt was a trainee.

Davis ran from that building, firing three wild shots which scattered against the building wall. Two workmen began to chase the berserk gunman but stopped when they saw him reload his pistol.

As he was reloading, plant protection officer Chester Merida drove up, got out and fired two shots. The first slug caught Davis in the head and killed him.

GARY, Ind. (AP)—Four men, all foremen, were killed and four others were wounded today by a U.S. Steel Co. laborer who went berserk during a union grievance session.

Plant guards shot down the laborer, Archie Davis, as he attempted to flee the company's sheet and tin mill.

Police said the four dead were plant foremen, all in charge of the grievance session. First reports did not state the issues involved in the grievance talks.

The dead were: Joe Guydon, Louis Massa and Neal Wolfrath all of Gary, and Donald Moran, of Hammond, Ind.

The wounded were Royal Rutt, Ben Proft, Gerald Myers and Donald Shaefer.

TV May Carry News Conference

WASHINGTON (AP)—President Kennedy's news conference Wednesday afternoon may be carried on live television.

White House press secretary Pierre Salinger said today that the President would grant any request from a network to televise the conference as it takes place.

At the same time Salinger announced a new hour for Kennedy's 16th news conference in Washington.

It will begin at 4:30 p. m. EDT. Originally the conference had been set for 10 a. m. Monday but was set back until 4 p. m.

Weather

Experiment Station report for 24-hours ending at 6 p. m. Monday, High 84, Low 63. Total 1961 precipitation through September, 45.44 inches; during the same period a year ago, 33.55 inches.

Arkansas regional forecast by THE ASSOCIATED PRESS

Central: Partly cloudy and mild this afternoon, tonight and Wednesday. High this afternoon, low to mid 80s. Low tonight, low to mid 60s.

Northwest: Cloudy with scattered thundershowers through Wednesday. High this afternoon in the 70s. Low tonight in the low 60s.

Southwest: Partly cloudy to mild with scattered showers and thundershowers through Wednesday. High this afternoon in the low 80s. Low tonight in the low 70s.

Northeast and southeast: Partly cloudy with little change in temperature. Continued on Page Four

PSC Halts Phone Rate Increase

LITTLE ROCK (AP)—The Public Service Commission Monday for the fourth time stopped a Four States Telephone Co. rate increase from taking effect in Imboden and Kensett.

The increase was deferred for further study. Suspension of the rate increase is for 30 days. The rate increase plan includes sale of 30,000 shares of stock at \$10 a share. Imboden and Kensett have protested the increase.

In another case, United Telephone Co. of Kansas City told the PSC that the demand for dial telephone alerting systems has reached a point where a separate tariff is needed.

The company proposed a \$10 a month rate for a basic system with six telephone stations. The company said the systems are growing in popularity in small towns and rural areas. The PSC did not set a date for review of the proposal.

Union Against Taking in the Teamsters

NEW YORK (AP)—The AFL-CIO Executive Council today voted 25 to 20 against permitting the International Brotherhood of Teamsters to rejoin the merged labor movement as long as it has its present leadership.

AFL-CIO President George Meany said the position taken by the Executive Council was in line with the organization's constitutional provisions against membership by groups under corrupt domination.

"There is every indication that the (Teamsters) union is more than ever now under the influence of criminal and corrupt elements," said Meany.

James R. Hoffa heads the Teamsters Union. He has been the target of frequent attacks in recent years, both from members of Congress and others including Kennedy administration officials.

The Teamsters Union was ousted from the AFL-CIO four years ago.

Meany said nothing had happened since then to indicate it had been cleansed of corrupt influences. Then he added his opinion that it was now more than ever under influence of criminal and corrupt elements.

Earlier, Meany said President Kennedy hasn't done enough to combat unemployment and predicted joblessness would be as bad this winter as it was a year ago.

That would mean over five million idle again.

Meany was asked at a news conference, as week-long AFL-CIO meetings got under way here Monday, whether he was satisfied with Kennedy administration programs to solve the idle worker situation.

MEMORIAL SERVICE — CITIZENS OF divided Berlin gather about a wooden cross on the banks of the River Spree to hold a memorial service for two young East Berliners who died while trying to escape the Russian sector of the city. One youth was machine gunned to death by East German police; the other died of exhaustion after swimming the river. — NEA

Defecting Red Chemist, Wife Part

By HARRY UYTENHAAK

AMSTERDAM, Netherlands (AP)—A defecting Soviet chemist and his wife separated perhaps forever Monday night after a war of fists and words involving airport police, the Soviet ambassador to the Netherlands and Premier Jan de Quay.

Mrs. Alexei Golub flew home to Moscow, leaving her husband under Dutch protection awaiting asylum. At least one Soviet diplomat and one policeman nursed injuries. Soviet Ambassador Ponomarev called it a human tragedy.

In the presence of the Soviet ambassador and the public prosecutor, Mrs. Golub told her husband she had to think of her parents at home in the Soviet Union and was leaving without him. The couple has no children.

De Quay said he was convinced the woman had not been coerced.

Climax of the day-long quarrel was the final airport meeting between Golub, 35, and his wife. Dutch public prosecutor J. G. de Zaanij called it a human tragedy.

Oral Vaccines Are Licensed

WASHINGTON (AP)—The second of three oral polio vaccines has been licensed by the Public Health Service for manufacture by a pharmaceutical firm.

Pfizer, Ltd., will make the Type 2 Sabin oral vaccine at Sandwich, England. It also received the license for Type 1 vaccine last Aug. 17. The third type of oral vaccine is not expected to be available for several months, the health service said.

Surgeon General Luther L. Terry stressed that Salk polio vaccine—given in a series of shots—is the only vaccine available that protects against all three types of polio.

Terry said the health service is ordering 1.8 million doses—at 9 cents a dose—of the tasteless, colorless Type 2 vaccine to go in its epidemic stockpile at Atlanta, Ga.

U. S. Gives Recognition to Syria

WASHINGTON (AP)—The United States today recognized the new state of Syria.

The State Department, in announcing this, said that the government of Premier Mahmoud al-Kuzbari was informed today about the U.S. diplomatic move.

The U.S. consulate general in Damascus will be raised to the status of an embassy. Prior to the appointment of an ambassador, Ridgway B. Knight, the present consul general, will act as charge d'affaires.

The State Department announced that the United States government, having taken note of the declaration of the government of the Syrian Arab Republic that it intends to respect and observe its international obligations, has today extended recognition to that government.

"The government of the Syrian Arab Republic has been appraised of the desire of the U.S. government to raise the status of an embassy the American consulate general in Damascus and to appoint Mr. Ridgway B. Knight charge d'affaires."

U.S. officials made it clear early this month that the United States would recognize Syria as soon as some of the more important Arab countries recognize the new regime.

Employment in U. S. Hits Record High

WASHINGTON (AP)—Employment in the United States reached 53,900,000, a record high, in September.

Unemployment dropped 450,000 to 4.1 million, but the Labor Department said the decline was mostly seasonal.

Secretary of Labor Arthur J. Goldberg said the total of employed was about 200,000 above the previous record, set in September 1960, and 2.6 million above the level in February, when economists say the recession hit bottom.

To 4.1 million, but the Labor Department manpower expert, said the employment figure for September would have been higher except for the strikes in General Motors auto plants last week.

Discounting the effect of Hurricane Carla, and the Jewish religious holidays which also took place during the week surveyed, Goldberg said the factory work week, seasonally adjusted, was up a full hour since February and the weekly earnings of factory workers were up almost \$2.50 during the period.

Wolfstein said that, primarily due to the auto strike, weather factors, and the religious holidays, there was a dip in the average work week in manufacturing industries from 40.1 hours in August to 39.6 hours in September.

The unemployment rate has held fairly steady for the past 10 months, hovering at or slightly below 7 per cent of the labor force.

During September, Wolfstein said, there was a marked decrease in long-term unemployment. The number of workers without jobs for 15 weeks or more dropped from 1,194,000 in August to 1,067,000 in September and those unemployed for 27 weeks or more declined from 1,917,000 to 1,405,000.

The case grew out of a campaign-chance by former Atty. Gen. Bruce Bennett while he was running against Faubus for governor. Bennett charged ESD officials were actively working for Faubus while drawing federal money and were soliciting funds for the governor.

Should the three men be dismissed, they couldn't be rehired for 18 months by any agency utilizing federal funds.

Faubus said today he had no comment "because the case has not been finally determined."

Arnett called the examiner's decision "all wet" and said his fellow principals would "go along with me" in challenging the recommended dismissals.

ANPA is the only newspaper association in the world which owns and operates a research laboratory for the improvement of newspaper production. This is a further step in the association's organized research program which began in 1947. The laboratory at Easton, Pa., was built in 1951 and expanded in 1955. With the new addition it will have 30,000 square feet of floor space including laboratory facilities for all departments of daily newspaper production.

ANPA President Mark Ferree said "This expansion of our research facilities is another example of the forward-looking attitude of newspapers in their continuing effort to provide the best possible service to readers and advertisers through use of the most modern facilities. Our research program has already made significant advances and we confidently expect the added laboratory facilities will make possible even greater newspaper progress."

The laboratory expansion project is scheduled for completion in May, 1962.

The Research Center, a division of ANPA Research Institute, attracts nearly 1,000 interested visitors annually to its site, many of them from foreign lands. The center maintains liaison and co-operates with manufacturers, suppliers, graphic arts firms and research institutions throughout the world.

The Research Center includes a photography and chemistry lab, composing room, pressroom, machine shop, temperature and humidity control room. The Center is staffed by 27 people. It now contains equipment valued at \$500,000 — half of it provided by manufacturers as gifts or as permanent loans.

ELIZABETH, N.J. (AP)—Fred Babish, 21, walked into the draft board office Monday with a baseball bat and started swinging.

Before he was subdued by patrolmen, he had smashed six windows, ruined several venetian blinds and chased the clerks into the hallway.

Babish told police he had "a grudge against the board."

He was charged with malicious mischief and disorderly conduct.

Would Dismiss 3 ESD Men for Part in State Politics

LITTLE ROCK (AP)—A Civil Service Commission examiner recommended today that three Employment Security Division officials here be dismissed for violation of the federal Hatch Act.

Examiner Howard Hosmer said that Luke Arnett, ESD attorney; Charles F. Wood, assistant manager of the Little Rock office, and William Watkins, employer audit supervisor, took an active part in Gov. Orval E. Faubus' 1960 campaign in violation of federal regulations.

The ESD is operated by the state, but its funds are federally supplied.

John Caras, district supervisor, and Robert O. Rainwater, business manager, who also were involved in the case, were cleared by Hosmer.

Hosmer, who held hearings here several months ago, made his recommendation to the full commission at Washington. Copies were sent to the respondents and other interested parties here.

Exceptions to the report may be filed with the commission. Both Arnett and Leon B. Catlett, attorney for the respondents, said this would be done.

Should the commission uphold the examiner, it would notify the state that the ESD officials must be dropped.

Should the state refuse, the government could withhold federal funds to ESD equal to twice the annual salary of each of the three employees.

Some subordinate employees of the agency testified at the hearings that they were solicited for funds for Faubus' campaign.

Legal Notice

ORDINANCE NO. 781

AN ORDINANCE PROVIDING FOR THE CONSTRUCTION OF ADDITIONS, EXTENSIONS, AND IMPROVEMENTS TO THE SEWER SYSTEM OF THE CITY OF HOPE, ARKANSAS, AND THE ISSUANCE OF THE SEWER REVENUE BONDS; PRESCRIBING THE DUTIES OF THE CITY OFFICERS IN CONNECTION THEREWITH; DECLARING AN EMERGENCY; AND FOR OTHER PURPOSES.

WHEREAS, the Board of Directors of the City of Hope, Arkansas, (hereinafter sometimes called the "Board"), has determined to construct additions, extensions, and improvements to the sewer system of Hope, Arkansas, consisting of, but not limited to the rebuilding of certain sewer mains in the City of Hope, Arkansas under the provisions of Act No. 132 of the Acts of the General Assembly of Arkansas of the year 1933; and

WHEREAS, the Board of said City has caused to be made by a duly qualified engineer plans and specifications for and an estimate of the cost of the said additions, extensions, and improvements, all of which have been heretofore duly filed with the City Clerk; and

WHEREAS, the Board has examined and approved said plans and estimates and finds and declares that it is for the best interest of the City that said additions, extensions, and improvements to the sewer system be constructed; and

WHEREAS, according to the above mentioned estimate, the cost of said construction will be the sum of Two Hundred Ten Thousand Dollars (\$210,000.00) including engineering, legal, and other expenses incident to the construction and to the issuance of the Bonds hereinafter authorized; and

WHEREAS, in order to raise the money to pay the cost of said construction, the Board has determined to issue the Sewer Revenue Bonds hereinafter authorized, to be payable solely from the revenues of said system; and

WHEREAS, the Board has sold to E. L. Villareal & Company and Dabbs Sullivan Company, of Little Rock, Arkansas, at par and accrued interest, Two Hundred Ten Thousand Dollars (\$210,000.00) principal amount of bonds bearing interest at the rate of 4.25% per annum, dated July 1, 1961, and maturing serially July 1, in each of the years 1962 to 1976, inclusive, the purchasers to pay the costs of the issue including the costs of printing and authenticating the bonds and of the legal opinion to accompany them, and to have the privilege of converting the bonds into an issue bearing a lower rate of interest for which the City will receive and pay substantially the same as upon the 4.25% per annum bonds at the price bid; and

WHEREAS, the purchasers have elected to convert the Two Hundred Ten Thousand Dollars (\$210,000.00) of 4.25% bonds to an issue of Two Hundred Twenty-nine Thousand Seven Hundred Dollars (\$229,700.00), Sixty-one Thousand Seven Hundred Dollars (\$61,700.00), bearing 3% per annum, Seventy-nine Thousand Dollars (\$79,000.00), bearing 3 1/4% per annum, and Eighty-nine Thousand Dollars (\$89,000.00), bearing 3 1/2% per annum from date, and more fully described hereinafter, by which conversion the Board finds that the City will pay and receive substantially the same for the 4.25% per annum bonds at the price bid;

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF DIRECTORS OF THE CITY OF HOPE, ARKANSAS:

Section 1. That the additions, extensions, and improvements to the said sewer system be constructed in accordance with plans heretofore referred to; and that the construction, custody, operation, and maintenance of said sewer system and the collection of revenues therefrom for the service rendered thereby shall be affected and supervised by the Sewer Committee of three members composed of L. W. Young, George Frazier, and Dewey Baber, who are hereby appointed by the Board to compose the said Sewer Committee. The Board may remove any member of the Committee with or without cause and may appoint his successor in case of death, removal, or resignation. The terms of the construction shall be fixed by the Sewer Committee, and it shall make all contracts or agreements necessary or incidental to the performance of its duties, and the execution of its powers.

Section 2. That the rates to be charged for sewer services heretofore fixed by Ordinance No. 780, passed and approved on the 21st day of August, 1961, shall never be reduced so long as any of the Bonds herein authorized to be issued are outstanding and, if necessary, the said rates shall be increased.

Section 3. The Treasurer of the City shall be the custodian of the revenues derived from the system and shall give bond for the faithful discharge of his duties as such custodian (such bond to be fixed and approved by this Board). The Treasurer of the City shall deposit all of the revenues of the system, as collected, in a separate fund, to be administered as follows:

(a) Sewer Operation and Maintenance Fund. An amount suf-

ficient to pay the reasonable monthly expenses of operation, repair, and maintenance shall be deducted from the monthly revenues as they accrue and shall be used to pay such expenses.

(b) Sewer Revenue Bond Fund. All the revenues remaining after the payment set forth in (a) shall constitute the net revenues of the system and shall be paid at monthly intervals into the Sewer Revenue Bond Fund, to provide for the payment of the interest on and the principal of the Bonds herein authorized in accordance with the following schedule:

Year	Principal	3% Interest	3 1/4% Interest	3 1/2% Interest	Total
January 1, 1962		\$925.50	\$1,283.75	\$1,557.50

July 1, 1976	18,000			315.00	18,630.00

together with the necessary fiscal agency charges for making such payment; and a margin of safety. Such margin, together with any unused surplus of the same carried from the preceding fiscal year, shall be set at a sum sufficient to pay the principal of and interest on the said Bonds for the current year and the next six months, and thereafter maintained at all times in the Sewer Revenue Bond Fund to supplement when necessary the net revenues of the system to the extent required to pay the interest on and the principal of the said Bonds and the necessary fiscal agency charges, and shall thereafter be restored out of the next net revenues of the said sewer system in excess of the payment required to be made under this subparagraph (b).

(c) Sewer Revenue Surplus Fund. In the event that a surplus remains after the requirements of subparagraphs (a) and (b) have been met, such surplus or any part thereof may be used at the option of the City for the redemption of the outstanding Bonds as hereinafter provided. All Bonds redeemed shall forthwith be canceled and shall not again be issued. The City may use such surplus or any part thereof in its discretion to provide a fund for extensions, betterments, and additions to the system, provided that an amount reasonably sufficient for operation, repair, and maintenance, and for depreciation for an ensuing period of not less than twelve months has first been reserved.

Section 4. All sewer revenues received by the City Treasurer shall be deposited by him in such depository or depositories as may be lawfully designated from time to time; subject, however, to the giving of security by such depository or depositories as now or hereafter may be required by law. All deposits made by the Treasurer shall be in the name of the City and be so designated as to indicate the particular fund to which the revenues belong.

Section 5. That the system shall be operated upon a fiscal year basis, commencing the 1st day of July, 1961, and ending one year thereafter.

Section 6. That sewer revenue bonds of the City (herein called Bonds) be issued in the total amount of Two Hundred Twenty-nine Thousand Seven Hundred Dollars (\$229,700.00); that said Bonds be designated "City of Hope, Arkansas, 3% (and 3 1/4% and 3 1/2% Sewer Revenue Bonds)", be dated July 1, 1961, be in the denominations of \$700 and \$1,000, and numbered and maturing on July 1st of each year as follows:

No. of Bonds (All inclusive)	Denomination	Interest Rate	Amount	Maturity July 1
1 - 11	\$1,000	3%	\$11,000	1962
12 - 23	700	"	11,700	1963
24 - 35	1,000	"	12,000	1964
36 - 48	1,000	"	13,000	1965
49 - 62	1,000	"	14,000	1966
63 - 77	1,000	3 1/4%	15,000	1967
78 - 92	1,000	"	15,000	1968
93 - 108	1,000	"	16,000	1969
109 - 124	1,000	"	17,000	1970
125 - 141	1,000	"	17,000	1971
142 - 158	1,000	3 1/2%	17,000	1972
159 - 176	1,000	"	18,000	1973
177 - 194	1,000	"	18,000	1974
195 - 212	1,000	"	18,000	1975
213 - 230	1,000	"	18,000	1976

That Bonds numbered 1 to 62, inclusive, bear interest at the rate of 3%. Bonds numbered 63 to 141, inclusive, bear interest at the rate of 3 1/4%, and Bonds numbered 142 to 230, inclusive, bear interest at the rate of 3 1/2% per annum, payable semiannually on the 1st day of January and July of each year, by the Mayor and be sealed with the corporate seal of the City and attested by the City Clerk of the City, and that the interest on the Bonds be evidenced by coupons (hereinafter called coupons) to be signed by said Mayor and City Recorder, and said Mayor and City Clerk shall be the execution of the Bonds and for their own proper signatures appearing on said coupons; that the Bonds and coupons be payable in

such funds as at the time of the respective payments are legal tender for the payment of debts due the United States of America at the office of First National Bank, in Magnolia, Arkansas.

Bonds of this series shall be subject to redemption before maturity, from time to time, at the option of the City, in inverse numerical order, at par and accrued interest, on any interest paying date up to and including July 1, 1966, only from surplus revenues derived from the operation of the sewer system in excess of the amount required to be paid into the Sewer Revenue Bond Fund, and on any interest paying date thereafter from such surplus or any available funds. Notice of the call for the redemption shall be published by the City Clerk of the City not less than thirty (30) days before the date of such redemption by one insertion in a newspaper of general circulation published in the City of Little Rock, Arkansas, and having a general circulation throughout the State of Arkansas, and at the date mentioned in the call, the Bonds or Bonds so called will cease to bear interest; provided funds for their payment are on deposit at that time.

The Bonds, together with interest thereon, shall be payable only out of the Sewer Revenue Bond Fund as hereinabove defined, and shall be valid claim of the holder thereof only against the Sewer Revenue Bond Fund and the amount of the revenue pledged to said Fund which amount of said revenue is hereby pledged for the payment of the principal of and interest on the Bonds as the same accrue.

Section 7. That said Bonds and coupons be in substantially the following forms:

UNITED STATES OF AMERICA
STATE OF ARKANSAS
COUNTY OF HEMPSTEAD
CITY OF HOPE
3% SEWER REVENUE BOND
KNOW ALL MEN BY THESE PRESENTS:

That the City of Hope, in the County of Hempstead, State of Arkansas, hereby acknowledges itself to owe, and for value received promises to pay to bearer the sum of

..... DOLLARS

on the first day of July, 19....., with interest at the rate of three per centum (3%) per annum, payable semiannually on the first day of January and July of each year, upon presentation and surrender of the annexed coupons as they severally become due. Both principal hereof and interest hereon shall be payable in such funds as at the time of the respective payments are legal tender for the payment of debts due the United States of America, at the office of First National Bank, in Magnolia, Arkansas.

This is one of a series of two hundred thirty (230) Bonds, aggregating Two Hundred Twenty-nine Thousand Seven Hundred Dollars (\$229,700.00), all of like tenor except as to denominations, rates of interest, rights of prior redemption, and maturities, and numbered from one (1) to two hundred thirty (230), both inclusive, dated July 1, 1961, and issued for the purpose of providing for the payment of the cost of construction of additions, extensions, and improvements to the sewer system of Hope, Arkansas.

This Bond and the series of which it forms a part are issued in accordance with the provisions of Act 132 of the regular session of the General Assembly of the State of Arkansas for the year 1933 and do not constitute an indebtedness of said City within any constitutional or statutory limitations, and are payable solely from the net revenues from said Sewer System owned and operated by the City of Hope, Arkansas, remaining after deduction of the reasonable monthly expenses of operation, repairs, and maintenance. The said net

revenues have been set aside and pledged as a special fund and identified as "Sewer Revenue Bond Fund" created by Ordinance No. 781, adopted by the Board of Directors of said City on the 21st day of August, 1961, under which this Bond is authorized to be issued, and in the Ordinance the Board of Directors has covenanted and agreed to maintain rates to be charged for the use of and the service rendered by the Sewer System. Such rates shall be sufficient at all times to provide for the payment of the reasonable expenses of operation, repair, and maintenance of the said system, and to provide for the payment of the principal of and interest on said Bonds as the same become due and payable.

This Bond is expressly made negotiable under said Act No. 132 and is issued with the intent that the laws of the State of Arkansas shall govern its construction. IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions, and things required to exist, happen, and be performed pursuant to and in the issuance of this Bond have existed, have happened and have been performed in due time, form, and manner, as required by law, and that sufficient of the income and revenue to be derived from the operation of said Sewer System has been pledged to and will be set aside into said special fund for the payment of the principal of and interest on said Bond.

Bonds of this series are subject to redemption before maturity, from time to time, at the option of the City, in inverse numerical order, at par and accrued interest, on any interest paying date up to and including July 1, 1966, only from surplus revenues derived from the operation of the sewer system in excess of the amount required to be paid into the Sewer Revenue Bond Fund, and on any interest paying date thereafter from such surplus or any available funds. Notice of the call for the redemption shall be published by the City Clerk of the City not less than thirty (30) days before the date of such redemption by one insertion in a newspaper of general circulation published in the City of Little Rock, Arkansas, and having a general circulation throughout the State of Arkansas, and at the date mentioned in the call, the Bonds or Bonds so called will cease to bear interest; provided funds for their payment are on deposit at that time.

specifying the purpose of the expenditure, accompanied by a certificate signed by the consulting engineer for such construction that an obligation in a stated amount has been incurred on account of the cost of the construction, and to whom such obligation is owed, except that no such certificate shall be required before payment of the engineering fees. Any unexpended balance remaining shall be paid to the City Treasurer for the account of the City and deposited by him in the Sewer Revenue Bond Fund hereinafter defined. When the funds are so deposited, the Treasurer shall take from the bank an agreement to apply the same as provided in this Section.

(2) The accrued interest paid by the purchasers of the Bonds shall be deposited in the Sewer Revenue Bond Fund in addition to the other amounts herein authorized to be paid into said Fund.

Section 9. Nothing in this Ordinance shall be construed to prevent the issuance by the City of additional Bonds to finance or pay the costs of constructing extensions, betterments, or additions to the System; provided, however, that any such additional Bonds so issued by the City shall be payable solely from the revenues of the System derived only from such further extensions, betterments, or additions financed by said additional Bonds, and from any surplus in the Sewer Revenue Surplus Fund, as provided in Section 3 (c).

Section 10. It is covenanted and agreed by the City which the holder or holders of the Bonds, or any of them, that it will faithfully and punctually perform all duties with reference to the Sewer System required by the Constitution and statutes of the State of Arkansas, including making and collecting of reasonable and sufficient rates lawfully established for services rendered by the System, segregating the revenues of the System and their application to the respective funds herein created.

Section 11. The City will maintain the Sewer System in good condition and operate the same in an efficient manner and at a reasonable cost.

Section 12. So long as any of the Bonds are outstanding, the City will not mortgage, pledge, or otherwise encumber the System or any part thereof, or any revenue therefrom (except as hereinbefore provided), and will not sell, lease, or otherwise dispose of any substantial portion of the same.

Section 13. The City will keep proper books of records and accounts (separate from all other records and accounts) in which complete and correct entries shall be made of all transactions relating to the System. The City will furnish to any holder or holders of any of the Bonds at the time outstanding at the written request of such holder or holders, not more than thirty (30) days after the close of each six months' fiscal period, complete operating and income statements of the System in reasonable detail covering such six months' period and not more than sixty (60) days after the close of each fiscal year, a complete financial statement of the System covering such fiscal year, certified by a Certified Public Accountant.

Section 14. Any purchaser of twenty-five per cent (25%) in aggregate principal amount of the Bonds at the time then outstanding, or any holder or holders of twenty-five per cent (25%) of said amount of outstanding Bonds, shall have the right at all reasonable times to inspect the System and all records, accounts, and data of the City relating thereto.

Section 15. The City further covenants and agrees that if default is made in the payment of any Bond or coupon or if the City fails to meet any sinking fund requirement, the holder of such Bond may declare that Bond immediately due and payable, and such Bond shall thereupon be immediately due and payable and in default.

Section 16. If there be any default in the payment of either the interest on or principal of any of the Bonds, the holder or holders of any of the Bonds may by proper suit compel the performance of the duties of the officials of the City, as set forth in said Act 132 of the regular session of the General Assembly of the State of Arkansas for the year 1933. If there be default in the payment of the principal or interest on the Bonds, any court having jurisdiction in any proper action may appoint a receiver to administer the System on behalf of the City and the holders of the Bonds, with power to charge and collect (or, by mandatory injunction to cause to be charged and collected) rates sufficient to provide for the payment of the Bonds and interest thereon and for the payment of the operating expenses and to apply the income and revenues in conformity with said Act and this Ordinance providing for the issuance of such Bonds.

Section 17. This Ordinance shall not create any right of any character, and no right of any character shall arise under or pursuant to it, until the Bonds, authorized by this Ordinance, shall have been issued and delivered.

Section 18. If any provision of this Ordinance shall for any reason be held illegal or invalid, it shall not affect the validity of the remainder of the Ordinance.

Section 19. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Section 20. It is ascertained and declared that the lack of an adequate sewer system in the City of Hope, Arkansas, endangers the health and safety of the inhabitants of said City. It is, therefore, declared that an emergency exists, that this Ordinance is necessary for the immediate preservation of the public peace, health, and safety, and that this Ordinance shall take effect and be in force from and after its passage.

ORDINANCE NO. 784

AN ORDINANCE TO AMEND ORDINANCE NO. 781 OF THE ORDINANCES OF THE CITY OF HOPE, ARKANSAS, PASSED AND APPROVED AUGUST 21, 1961; TO AUTHORIZE THE INVESTMENT OF CERTAIN SURPLUS SEWER REVENUES IN SPECIFIED SECURITIES; DECLARING AN EMERGENCY; AND OTHER PURPOSES.

WHEREAS, the Board of Directors of the City of Hope, Arkansas, has heretofore on the 21st day of August, 1961, passed Ordinance No. 781, providing for the construction of additions, extensions, and improvements to the sewer system of the City of Hope, Arkansas, and the issuance of sewer revenue bonds, and for other purposes; and

WHEREAS, it is desirable to amend and to clarify certain of the provisions of the said Ordinance and to make additional

covenants and agrees that if default is made in the payment of any Bond or coupon or if the City fails to meet any sinking fund requirement, the holder of such Bond may declare that Bond immediately due and payable, and such Bond shall thereupon be immediately due and payable and in default.

Section 16. If there be any default in the payment of either the interest on or principal of any of the Bonds, the holder or holders of any of the Bonds may by proper suit compel the performance of the duties of the officials of the City, as set forth in said Act 132 of the regular session of the General Assembly of the State of Arkansas for the year 1933. If there be default in the payment of the principal or interest on the Bonds, any court having jurisdiction in any proper action may appoint a receiver to administer the System on behalf of the City and the holders of the Bonds, with power to charge and collect (or, by mandatory injunction to cause to be charged and collected) rates sufficient to provide for the payment of the Bonds and interest thereon and for the payment of the operating expenses and to apply the income and revenues in conformity with said Act and this Ordinance providing for the issuance of such Bonds.

Section 17. This Ordinance shall not create any right of any character, and no right of any character shall arise under or pursuant to it, until the Bonds, authorized by this Ordinance, shall have been issued and delivered.

Section 18. If any provision of this Ordinance shall for any reason be held illegal or invalid, it shall not affect the validity of the remainder of the Ordinance.

Section 19. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Section 20. It is ascertained and declared that the lack of an adequate sewer system in the City of Hope, Arkansas, endangers the health and safety of the inhabitants of said City. It is, therefore, declared that an emergency exists, that this Ordinance is necessary for the immediate preservation of the public peace, health, and safety, and that this Ordinance shall take effect and be in force from and after its passage.

provisions with reference to the issuance of the said bonds:

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF DIRECTORS OF THE CITY OF HOPE, ARKANSAS:

SECTION 1. That Section 8 of said Ordinance No. 781 be and it is hereby amended to read as follows:

"Section 8. When the Two Hundred Twenty-nine Thousand Seven Hundred Dollars (\$229,700.00) of Bonds herein authorized to be issued have been executed by the Mayor and City Clerk and the seal of the City impressed, as herein provided, they shall be delivered to First National Bank, in Magnolia, Arkansas, which shall authenticate and deliver them to the purchasers, upon payment in cash to the bank of the purchase price of \$210,000.00 and accrued interest to the date of delivery.

(1) The purchase price, less the amount of accrued interest paid by the purchasers, shall be deposited in such depository or depositories as may be selected by the Board of Directors, in trust, secured as other trust funds are secured, and disbursed solely in payment of the cost of said construction, including engineering and other expenses incident to the construction, but only on warrants or vouchers signed by the Chairman of the Sewer Committee and by the City Treasurer, briefly specifying the purpose of such expenditure, accompanied by a certificate signed by the consulting engineer for such construction that an obligation is a stated amount has been incurred on account of the cost of the construction and to whom such obligation is owed, except that no such certificate shall be required before payment of the engineering fees. Any unexpended balance remaining shall be paid to the City Treasurer for the account of the City and deposited by him in the Sewer Revenue Bond Fund hereinafter defined. When the funds are so deposited, the Treasurer shall take from the bank an agreement to apply the same as provided in this Section.

(2) The accrued interest paid by the purchasers of the Bonds shall be deposited in the Sewer Revenue Bond Fund in addition to the other amounts herein authorized to be paid into said Fund."

SECTION 2. That Section 9 of said Ordinance No. 781 be and it is hereby amended to read as follows:

"Section 9. Nothing in this Ordinance shall be construed to prevent the issuance by the City of additional Bonds to finance or pay the costs of constructing extensions, betterments, or additions to the System; provided, however, that the City of Hope shall not authorize or issue any such additional Sewer Revenue Bonds so long as any of the Bonds are outstanding, unless the gross revenues derived from the sewer system for the fiscal year then next proceeding, shall have been sufficient to provide for all costs of operation, repair, and maintenance of the sewer system and leave a balance equal to at least 150% of the aggregate of

(a) the maximum amount required to be paid into the Sewer Revenue Bond Fund in any year while any of the Bonds remain outstanding;

(b) one year's interest on the total issue of such additional Bonds then proposed to be issued; and

(c) an amount of principal of such additional Bonds for one year computed by dividing the total amount of such issue by the number of years to the final maturity date of such issue."

SECTION 3. That the fiscal

Rose Garden Club
The home of Mrs. G. B. Hughes was the scene of the meeting of the Rose Garden Club in Hope Oct. 6 with Mrs. J. C. Atchley as co-hostess. After the club collect

DOROTHY DIX

How Far Should a Woman Go to Get Her Man?

By HELEN WORDEN ERSKINE
Dear Helen: You say love is overcome, the aspic runny, the dumplings so much flannel and the reheated coffee bitter as gall. I am 34 and have been dating a bachelor the same age for two and a half years. Our relationship is very close. My 8 year old son minds him like a father. Being an outgoing, loving nature, it is my pleasure to give, as I have done to this bachelor. That makes me happy. Ours is a wonderful, soul-satisfying friendship, or so I thought until this week. If there's one thing this bachelor enjoys, it's a good meal. Night before last I prepared a special dinner—all his favorites: French fries, calves liver and bacon, tomato aspic salad, apple dumplings, cinnamon sauce and drip coffee. It was a dinner which must be eaten when ready. He sauntered in 45 minutes late! The

was read in unison. Mrs. Ray Allen, president, conducted the routine business. Mrs. Harry Shiver made a report on a state board meeting she attended last month in Little Rock. "Arrangements for Special Occasions" was the program which Mrs. Charles Stone brought to the club. Several club members had made arrangements suitable for special occasions and these were studied and discussed. Mrs. J. S. Gibson dismissed the group with prayer. During the refreshment hour a dessert plate and coffee were served to 16.

Hobbs' Wedding Plans Complete
Miss Sandra Lynn Hobbs has completed plans for her wedding to George Edward Miller Jr. of Dallas, Oct. 14 at 7 p.m. in the First Baptist Church. The bride-elect has chosen Miss Caroline Cox to be her maid of honor. Bridesmaids will be Miss Jan Robinson and Miss Linda Purdie of Hope, Miss Karen Brown of Graham, Texas and Miss Sandra Aughtry of Memphis, Tenn. Jeff Eibert of Aurora, Ill. will be best man. Serving as groomsmen will be David Campbell, Gary Cadenhead, Jerry Loftland and Lane Newbury all of Dallas.

Little Miss Janet Brumman of Dallas will be the flower girl and Master John Brannan Jr. of Dallas will be ring bearer. Music will be presented by Mrs. Ed Ogram, vocalist and Luther Hollamon, organist. The bride-elect has chosen Miss Caroline Cox to be her maid of honor. Bridesmaids will be Miss Jan Robinson and Miss Linda Purdie of Hope, Miss Karen Brown of Graham, Texas and Miss Sandra Aughtry of Memphis, Tenn. Jeff Eibert of Aurora, Ill. will be best man. Serving as groomsmen will be David Campbell, Gary Cadenhead, Jerry Loftland and Lane Newbury all of Dallas.

Coming and Going
Mr. and Mrs. John Henry Ellen and children, Johnny and David Lee of Odessa, Tex. arrived Saturday for a visit with his parents, Mr. and Mrs. J. B. Ellen Sr.

Kenny Johnson of Washington, D.C. is visiting in Hope with relatives.

Mary Margaret Daniels a TCU student, visited her parents, Mr. and Mrs. Bob Daniels this weekend. She also attended the Ark-TCU game in Little Rock Saturday.

Mrs. Mack Stuart returned Sunday from Houston, after a visit with her daughter, Shirley Edwards.

Mr. and Mrs. Rupert Babcock of Long Beach, Calif. are visiting Mr. and Mrs. Ernest Bode and Edward.

Mrs. P. D. Burton of Lewisville is visiting Mr. and Mrs. George Peck.

Johnny Snell, a U of A student, and three former classmates at TCU were guests Saturday of Mr. and Mrs. Harry Hawthorne after returning from Little Rock and the Ark-TCU football game.

Mr. and Mrs. Robert LaGrone have gone to the National Bankers Convention in San Francisco, Calif. and will also visit in that state.

Proclamation

Mayor Frank Douglas of Hope issued a proclamation calling upon all citizens to take an active part in the nation's observance of Fire Prevention Week, starting Oct. 8.

The mayor called attention to the fact that this proclamation and that of President Kennedy, in setting aside the week of Oct. 8 to 14 for the annual observance of a week devoted to fire safety, is a part of a national effort in which Hope will cooperate with all cities throughout the country. Property losses resulting from fires reach an annual total of over \$1,000,000,000, Mayor Douglas said.

In his proclamation, the Mayor called upon all city departments to assist the fire prevention committee of the C of C to make this year's Fire Prevention Week the most effective on record for Hope.

The fire department and the schools can perform particularly valuable service in observing Fire Prevention Week, the mayor said. "The reward is a safer community for all our citizens," he concluded.

Frank Douglas, Mayor

Movie Giants Are Working Together
By BOB THOMAS

HOLLYWOOD (AP)—In a time when the movie giants have been disappearing from the Hollywood scene, it's news when two of the remaining greats are working together.

Three, actually, James Stewart and John Wayne are being directed in "The Man Who Shot Liberty Valance" by another legendary figure, John Ford.

When I arrived on Stage 10 at Paramount, both stars were in their dressing rooms. Characteristically, Wayne was on the telephone. Stewart was on the couch. They scarcely had time to say hello when they were called to school.

At least it looked like a school—a canvas enclosed classroom where the actors sat around a table and rehearsed the next scene. Sitting at the head of the table was taskmaster Ford, a rare figure with black eye patch, base ball cap, faded yachting jacket, rumpled cotton pants and brown and white saddle shoes.

Over and over Ford drilled his class; Wayne and Stewart as the Western heroes, Edmund O'Brien and Ken Murray as the town's drunken editor and doctor, and Lee Marvin as the soon to be performed Liberty Valance.

"Okay, let's shot it," said Ford.

The scene called for Marvin to try to get himself elected delegate to the territorial convention so he could sabotage staidhood on behalf of his rancher bosses. Obviously he had no chance against the combined strength of Stewart and Wayne.

They appeared in their classic roles—Stewart as the lean, earnest lawyer in his Eastern tweeds, Wayne as the rangy, slowtalking cowpoke with six shooter dangling at the ready.

Two and a half hours later,

hey emerged from the scene for a brief respite. "Never worked with Duke before," Stewart said. "Like to. Good working with Ford, too. Guy keeps a tight rein on the while thing."

"He a good actor," Wayne said of his costar. "You never have trouble working with good actors. It's the lousy ones who might be picking their noses or scratching their rear ends while you're doing your big scene. But they don't get away with it when a guy like Ford is directing."

Bobcats Go to Fairview Friday Night

By THE ASSOCIATED PRESS

Springdale, Fayetteville and Van Buren get a rest from the complicated Region 1AA schoolboy football wars this week. Each of them play non-conference games.

Subiaco and Rogers, two also-rans, meet in the only league game. Van Buren, the only unbeaten left in 1AA, meets Tahlequah, Okla. Springdale takes on Siloam Springs and Fayetteville meets Central of Springfield, Mo.

Springdale beat Fayetteville 21-7 last week while Van Buren was losing 17-12 to North Little Rock in non-league action. Springdale and Fayetteville each have lost one game and the key game now appears to be Fayetteville - Van Buren in Fayetteville Nov. 3. Van Buren beat Springdale 7-0 two weeks ago.

Jonesboro's rampaging Hurricane gets a week off from its 2AA title drive after a puzzling 13-0 victory over West Memphis last week.

It was the narrowest margin for the Hurricane, which now has swept through six games unbeaten. Helena, which beat Brinkley 19-6 last week, is the only other 2AA unbeaten. The Indians meet De Witt in a non conference game this week.

Wynne, loser of two straight after three initial victories, tries to get back on the winning trail this week in a game at West Memphis. Wynne's conference crucial conference game with un-14-0 loss to Stuttgart.

Stuttgart is off this week. Forrest City meets Newport in the other 2AA game.

Benton's Panthers, the top-ranked Class AA team, play a crucial conference game with unbeaten Russellville Friday night. Jacksonville, the other 3AA unbeaten, faces Little Rock Catholic, which is scoreless in five games.

Jacksonville and Russellville are 3-0 in league play to Benton's 2-0, but Benton has conquered two Big Nine Conference teams.

The Panthers beat Mabelvale 34-13 last week while Russellville was tripping Morrilton 29-0 and Jacksonville was idle.

In non-conference games this week, Conway meets Malvern, Mabelvale takes on Fuller and Morrilton meets Atkins.

Conway righted its last week with a 20-0 victory over Catholic High after 2 losses that virtually dropped it from the conference race.

Camden, one of two unbeaten teams left in Region 4AA, meets Crossett's luckless Eagles Friday night in an important league game.

Camden is 5-0 for the season and 2-0 in conference play. Smackover, which has won three straight league games, takes on dangerous Arkadelphia Friday night in non-conference action.

Smackover went down 7-0 to Homer, La., last week. It was the first defeat for the Buckaroos although they tied El Dorado in the season opener.

Hope meets winless Camden.

When to Fish or Hunt Solunar Tables

By John Alden Knight

The schedule of Solunar period as printed below, has been taken from John Alden Knight's Solunar Tables. Plan your days so that you will be fishing in good territory or hunting in good cover during these times, if you wish to find the best sport that each day has to offer.

The Major periods are shown in bold face type. These begin at the time shown and last for an hour and a half or two hours thereafter. The minor periods, shown in regular type, are of somewhat shorter duration.

NEWER THAN NEW—It took him four years, but Brooks Fuller, left, made his 1929 Packard convertible coupe look "newer than new," and it paid off for him. The La Grange, Ill., insurance executive's shiny red car won top spot in the novice class at the Classic Car Club of America's Midwest Grand Classic at Greenfield Village, Mich. Collecting a total of 98 points, the coupe was judged on accuracy of restoration and mechanical performance. He is being congratulated, above, by a judge.

Hope Star SPORTS

Rebels 1st; Texas 4th Baylor 9th

By JACK CLARY
Associated Press Sports Writer

Mississippi's rollicking Rebels took over as the nation's No. 1 college football team today, replacing Iowa of the Big Ten.

Ole Miss, with a 3-0 record this year and unbeaten in 18 games dating back to 1959, was an overwhelming choice by The Associated Press' regional experts, gaining 21-first-place votes.

Iowa, named the top team for the first two weeks and in the preseason poll, edged Alabama for third place. Texas was fourth, Michigan State and Michigan, who meet this Saturday, were fifth and sixth, and Ohio State seventh.

Notre Dame made its first appearance since early in 1959 for a No. 8 ranking. Baylor, 10th last week, moved up to No. 9 and surprising Maryland, after three wins in as many starts, was 10th.

Dropping from the select list were Syracuse, beaten 22-21 by Maryland last Saturday, and Georgia Tech, a 10-0 loser to Louisiana State. Tech had been ranked third and Syracuse seventh.

The top ten teams with first place votes in parentheses:

1. Mississippi (21)
2. Iowa (11)
3. Alabama (4)
4. Texas (3)
5. Michigan State (2)
6. Michigan (2)
7. Ohio State
8. Notre Dame (1)
9. Baylor
10. Maryland

Hitchcock to Manage the Orioles

BALTIMORE (AP)—Billy Hitchcock, 43-year-old Alabamian and former major league player and coach, was expected to be named manager of the Baltimore Orioles today at a news conference called by Lee MacPhail, president-general manager.

MacPhail has said that four men were in the running for the post but indications were, and The Associated Press reported Saturday, that Hitchcock would get the job.

If Hitchcock, of Opelika, Ala., is named manager at the 2 p.m. news gathering, he is expected to be given a one-year contract at an estimated \$20,000.

Hitchcock, as an active player, performed for St. Louis, Detroit, Philadelphia and Boston for more than 10 years. He also coached the Tigers and managed the Buffalo Bisons of the International League.

Hitchcock managed Vancouver, a Milwaukee farm club, last season.

Billy Cannon to Be Benched

HOUSTON (AP)—Billy Cannon, the powerful Heisman Trophy winner from Louisiana State, may move to the bench this week as the Houston Oilers try to improve a miserable 1-3 record in the American Football League.

Coach Lou Rymkus said he is thinking of benching Cannon—and several other Houston regulars—in an effort to spark the defending AFL championship team.

"Cannon isn't blocking or running," Rymkus said Monday night. "If he's on the bench it will be a combination of things. Staff, and with Billy, before I decide, I'll have to talk it over with my staff."

Fairview in an also-ran league battle Friday night. Magnolia takes on Haynesville, La., and Malvern meets 3AA Conway.

Pinch Hitters Failed the Redlegs

By TED SMITS
Associated Press Sports Editor

CINCINNATI (AP)—This will be known as the series in which the Cincinnati Redlegs sent up 15 men to pinch hit—and got one double, which had no effect on the score.

In which the Redlegs issued five intentional walks to the Yankees—and on four occasions the next man hit safely, and on the fifth, pitcher Bud Daley raised a sacrifice fly that scored a run.

In which, with the Yankees leading 11-3 in the fifth game, Vada Pinson led off the fifth inning with a single to center and was easily thrown out at second when he tried to stretch it into a double. The Reds then went on to get two runs, which would have been three or more if Pinson had played it safe.

But when all was said and done, the Redlegs really never had a chance no matter what their strategy was.

The Yankees took the final game 13-5 Monday and the series 4-1 and the reason was Yankee batting power plus pitcher Whitey Ford, who achieved a series mark of 32 consecutive scoreless innings.

Furthermore, the Yankees won with little help from their big guns, Roger Maris and Mickey Mantle. Mantle played only one full game and part of another, and Maris was held in check by Redleg pitching except for the third game when his ninth inning homer won for New York 3-2.

Fishing Around Arkansas Lakes

LITTLE ROCK (AP)—Here is a fishing forecast from the Arkansas Game and Fish Commission:

Lake Maumelle: Water clear and two feet low. All fishing fair on all bait.

Lake Conway: Water clear and 4.4 feet low on drawdown. Bass fair to good on artificial bait and minnows. Bream fair on crickets and worms.

Lake Hamilton: Water conditions good. Black bass fair to good on artificial bait. Bream fair on crickets and worms.

Lake Ouachita: All fishing fair on all bait.

Lake Bull Shoals: Water clear and normal. White bass fair on spoons. Black bass fair at night on jigs, eels and plastic worms.

Lake Greason: Bass good on artificial lures.

Lake Norfolk: Black bass good on crayfish fair to good on plastic worms.

Lake Catherine: Water conditions good. Bass fair on artificial bait.

Rymkus said Rich Michael, an all-league tackle, is definitely going to be benched for Friday night's game with Boston.

He said Bob Kelly, a rookie, will take Michael's place and said Mike Dukes, Charley Miltstead and Mark Johnston may ride the bench.

"The kids just aren't blocking," he said.

Press Men Meet
HOT SPRINGS, Ark. (AP)—The Arkansas Press Association opens a two-day mechanical conference here Friday. About 100 persons are expected to attend. Bill Miller of the Pine Bluff Commercial and William W. Covington, representative of the Western Newspaper Union, will speak.

Houk Proves Durocher's Quip Wrong

By JACK HAND
Associated Press Sports Writer

CINCINNATI, Ohio (AP)—Ralph Houk is the man to bury for all time Leo Durocher's quip, "Nice guys finish last."

The manager of the New York Yankees is a nice guy to all who know him, a modest, courteous man with the poise and confidence of a budding executive.

Houk rode the hot seat all season long, from the October day a year ago he was named successor to Casey Stengel to the moment his New York Yankees clinched the World Series Monday at Crosley Field.

Some may say they would like to ride in such a hot seat with all the Yankee millions and home run power at his disposal. The facts are that Houk, working on a one-year contract, had to follow in the footsteps of Stengel, one of the great managers of baseball.

All Houk had to do was win 10 pennants (and seven World Series) to match Stengel's record. Although critics since the days of Joe McCarthy have called Yankee pilots "push button managers," it was up to Houk to prove he could win. He alone knew how important it was to retain the confidence and respect of the players, many of whom he had played beside in his years with the Yanks as a reserve catcher.

There is no "Stengelese" in Houk's conversation. He speaks calmly, directly and to the point. "That feller" that Stengel used to talk about disappeared from the Yankee Stadium clubhouse. Houk named names and answered questions without evading the issue.

"Look there is only one Casey Stengel," he told visitors at spring training. "I am Ralph Houk. Casey did an awful lot for me. Without Casey, I wouldn't be here. He was a great manager."

"But you manage your own way. That is the only way you can do it. You don't try to follow anybody else."

Houk set his own rules at the very beginning. "One thing you'll never hear from me," he said, "is a second guess of any of my players. If I have to talk to him I'll do it in private."

The Yankee RBI leader in the series was utility man Hector Lopez, a .220 regular season hitter, who drove across seven runs with three hits—including a triple and homer Monday—in 10 at-bats.

Another utility man, rugged John Blanchard, finished fast as

Mantle's aching hip limited him to only 11 innings of play. Blanchard drove a game-tying pinch homer in Saturday's game playing right field Monday as Maris switched to center. The 200-pound catcher-outfielder slammed a two-run homer in New York's five-inning first and followed with two walks, a double and a single.

The Yankees won their 19th World Series, handing out the worst series thumping since 1954 when the New York Giants bounced out the Cleveland Indians in four straight.

This turned out to be a series of unusual individual performances by the poised and timely hitting Yankees. Personable Ralph Houk became only the third manager to win a series title in his freshman year. The other two were by Bucky (Boy Wonder) Harris of Washington in 1924, and Eddie Dyer of the St. Louis Cardinals in 1946.

M&M Fail But Not Rest of the Yankees

By JERRY LISKA
Associated Press Sports Writer

CINCINNATI, Ohio (AP)—The incredible New York Yankees, with only two RBIs from their fabled M&M flailers, today had revived sagging American League prestige with an almost effortless five-game World Series' decision over the stunned Cincinnati Reds.

True Roger Maris, the new Babe Ruth, hit a game-winning homer in Saturday's third game, but Maris and the ailing Mickey Mantle otherwise let their less-publicized but highly talented Yankee mates go about routing the Reds, four games to one.

In Monday's 13-5 clincher in sun-bathed Crosley Field, John Blanchard, Hector Lopez, Bill Skowron and Clete Boyer cannonaded the Reds into submission.

In this series which ended a two-year domination by National League champions—Los Angeles in 1959 and Pittsburgh in 1960—the Yankees won three in a row after Cincinnati's only victory tied the series 1-all last Thursday.

Many baseball buffs regarded the Reds as a lucky array of castoffs who caught lightning in a bottle by winning the National League pennant after finishing sixth in 1960. They also thought the Reds had a fighting chance in the series after the Maris-Mantle duo which had combined for 115 homers and 270 RBIs almost faded out of the picture.

Maris in a slump and Mantle with a painfully infected right hip, but Cincinnati's big guns never boomed—until a futile salvo in Monday's anticlimactic finale—and the superbly balanced Yankees won their 19th World Series, handing out the worst series thumping since 1954 when the New York Giants bounced out the Cleveland Indians in four straight.

This turned out to be a series of unusual individual performances by the poised and timely hitting Yankees. Personable Ralph Houk became only the third manager to win a series title in his freshman year. INSURANCE PROBLEM?—William Varga, 30, might have trouble buying life insurance if he were a civilian. As Air Force staff sergeant his job is to parachute from a plane, land in the ocean, then swim to recover space capsules which have dropped from the sky. He is one of three such "paradivers" in the Air Force.

AEA President Dies at Newport

NEWPORT, Ark. (AP)—G. F. Castiberry, Newport school superintendent and president of the Arkansas Education Association, died today.

Increase Shown in Poll Taxes

LITTLE ROCK (AP)—First returns on poll tax sales in Arkansas show an increase of nearly 3,000 this year over last year in 20 of the 75 counties with final tabulations.

Of the counties reporting, Mississippi County showed the greatest increase, from 14,431 a year ago to 18,077 this year.

The state Auditor's office 20-county total for 1961 shows 123,121 compared to 120,161 last year.

Mantle's aching hip limited him to only 11 innings of play. Blanchard drove a game-tying pinch homer in Saturday's game playing right field Monday as Maris switched to center. The 200-pound catcher-outfielder slammed a two-run homer in New York's five-inning first and followed with two walks, a double and a single.

The Yankees won their 19th World Series, handing out the worst series thumping since 1954 when the New York Giants bounced out the Cleveland Indians in four straight.

This turned out to be a series of unusual individual performances by the poised and timely hitting Yankees. Personable Ralph Houk became only the third manager to win a series title in his freshman year. The other two were by Bucky (Boy Wonder) Harris of Washington in 1924, and Eddie Dyer of the St. Louis Cardinals in 1946.

The Yankee RBI leader in the series was utility man Hector Lopez, a .220 regular season hitter, who drove across seven runs with three hits—including a triple and homer Monday—in 10 at-bats.
